The Parent Peer Group (PPG) Training will help your staff /center directors teach parents how to set common guidelines for their children's behavior.

1. Set common guidelines for their children's behavior
2. Monitor children's behavior and establish consequences
3. Share information with other parents
4. Support each other towards building a community for children

The Parent Peer Group is a series of four sessions dedicated to key topics for children's substance abuse prevention. This program was selected as the #1 best practice prevention programs in Florida by the Florida Alcohol and Drug Abuse Association (FADAA) and the Florida Department of Children and Families (DCF).
