

BLOCK Fest

What is BLOCK Fest™? The Twiga Foundation states that BLOCK Fest™ is an interactive exhibit that provides families with young children under the age of 8 with a rich hands-on math and science learning opportunity. The exhibit has shown to increase parent knowledge of early development in the areas of math and science education, while providing opportunities to increase social skills and literacy opportunities for young children

United Way
Center for Excellence
in Early Education

BLOCK Fest™ is also great fun for children and parents. Children from 8 months to 8 years can enjoy playing, building, counting, measuring and more with hundreds of blocks of all sizes, shapes, and colors.

The United Way Center for Excellence in Early Education in partnership with The Children's Trust is excited to host a BLOCK Fest event in your neighborhood! This program is sponsored in part by the Florida Parental Information and Resource Center

**Date: Thursday, March 18th 2010 Location: 3250 SW 3rd Avenue
Main Stage Room
