- Serve as the lead for the coordination and implementation of all mental health services for infants, toddlers and their families enrolled in the Early Head Start Child Care Partnership program
- Design and implement a regular schedule of on-site mental health consultation involving mental health professionals, program staff, and parents that is responsive to behavioral and mental health concerns of an individual child or group of children
- Develop and implement strategies to promote children's mental wellness by providing group and individual staff and parent education on mental health issues
- Develop proactive systems and processes for assessing the social and emotional needs of children, identifying high risk behaviors and providing individualized support as needed
- Assist in providing appropriate support for children with atypical behavior or development, utilizing other community mental health resources, as needed
- Support individualized Early Childhood Mental Health Consultation for young children with concerning behaviors
- Support individualized mental health support for parents, guardians or other caregivers to ensure their mental health needs are addressed
- Develop responsive services to immediately respond to families in crisis with services that will meet the needs of the children, parents/guardians, and others affected the situation
- Develop systems and processes to identify the behavioral and mental health needs of staff and parents (including high risk behaviors)
- Create appropriate systems and policies that support an emotionally healthy environment ongoing nurturing experiences will help promote mental well-being.
- Ensure appropriate documentation through the Program Information Report (PIR) and Office of Head Start Monitoring Instrument processes
- Develop and monitor appropriate service area plan and monitoring
- Monitor, track, oversee and assure confidentiality of all records
- Work closely with all Head Start content area managers and corresponding staff
- Co-develop and monitor relevant budgets, plans and strategies for the mental health activities
- In partnership with relevant staff, develop, direct and coordinate the hiring, training, and evaluation of the program’s mental health staff personnel
- Responsible for the use of an agency paid cell phone and/or P.D.A.-Blackberry device
- Responsible for the content of the Manager’s departmental related portion of the ELC website and the maintenance/accuracy of that content
- Performs related duties as required

Skills and Abilities:
- Accountability
- Must be pro-active to the needs of the program.
- Excellent interpersonal skills
- Public Speaking skills
- Prior management experience required
- Excellent communication skills, both written and oral
- Ability to work effectively with a diverse population
- Spanish language ability helpful but not required

**Computer Equipment and Software Requirements:**

- Microsoft Office Suite

**Education and Experience Required:**

- Licensed or certified mental health professionals with experience and expertise in serving young children and their families
- Bachelor’s degree required; master’s preferred.
- Experience providing for the mental health services of low-income children and families
- Knowledge of treatment strategies in the areas of child behavior management and family crisis intervention
- Leadership and training skills
- Thorough knowledge and ability to keep up-to-date on State/Federal regulations and Head Start performance standards and practices
- Superior communication and interpersonal skills highly desirable; must be highly self-motivated and self-directing

**Physical Demands:**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is frequently required to sit, talk, hear and use hands and fingers to operate and handle keyboards and controls. The employee is occasionally required to walk and reach with hands and arms. The employee must occasionally lift and/or move up to 25 pounds.
