Dear Providers:

Your phone calls, emails, and trips to Tallahassee have paid off; because of your dedicated efforts, members of the legislature have agreed to preserve VPK funding! The Early Learning Coalition is pleased to report that the House and the Senate have agreed on a \$404.8M appropriation for the VPK program with a reduction of 0.5 percent. Thus the per-child allocation will be approximately \$2,562 for the 2010-2011 school year and \$2,179 for the summer.

Protecting our children's high-quality early care and education is crucial to ensuring their success in school and in life. As a united voice it is clear how much we can achieve. Thank you for your strong and spirited support in this endeavor, and most importantly, for your commitment to children. We could not have done this without you.

Sincerely,

Evelio C. Torres
President & CEO
