The Early Learning Coalition thanks you for registering to be a part of the Children First Conference.

Children First Conference Cancellation

The Early Learning Coalition has been closely following the projected path of Hurricane Irma. As a result we have decided to **cancel** the Children First Conference: Healthy Families. Healthy Communities event to take place Friday and Saturday September 8-9, 2017.

Governor Rick Scott has declared a state of emergency for the state of Florida, and the Early Learning Coalition wants to take every precaution to safeguard against any potential danger that Hurricane Irma is bound to cause.

While we share your disappointment in the outcome for 2017, we are diligently working to identify future dates for the Children First Conference in 2018. In the interim, we urge you to prepare your homes and family for the storm, and to be safe.

We will keep you abreast of any future updates regarding Children First Conference 2018.

We thank you for your eagerness to participate, network and grow via the Children First Conference.

Be safe, and see you in 2018.
