The Professional Development Institute in partnership with the YES Institute will facilitate **Playing with Gender: When Children Challenge Our Expectations**.

The goal of this professional development opportunity is to provide Early Childhood Professionals with high quality, research-based education on gender, children's early learning environments and curriculum.

December 16, 2017
9:00am - 1:00pm

ELC South Service Center
18951 SW 106 Avenue, Unit B-206
Miami, FL 33157

4 CEUs available
Register at <http://trainings.elcmdm.org>

Participants will gain access to comprehensive and up-to-date research, and engage in a powerful dialogue that includes diverse viewpoints.

Participants will examine their own beliefs and critically examine and assess the classroom environment and curriculum for gender binary vs. gender egalitarian instruction, themes, and role modeling.

Participants will identify and address gender stereotyped language and develop plans for implementing changes.
