**III. Financial Statements** **Adrian Alfonso**

- M. Castiglione stated that monies spent are higher because ELC is paying the providers based on enrollment and not actual attendance. This makes for a difficult budget year because of the unique situations the ELC is facing, paying parent fees, reimbursing for full-time for school-aged children that would regularly be part-time, etc.
- G. Ferradaz asked if this projected deficit was statewide. E. Torres responded that it was not because many counties opened up sooner than Miami-Dade. E. Torres stated that when the ELC has an accurate picture of the budget they would meet with OEL so they are aware of the situation.
- A. Parrino stated that EHS received the notice for supplemental money, this solidifies the balancing of the budget for EHS.
- V. Caballero presented, the reconciliation snapshot, which reflected that over 400 providers, requested an extension in their payment plans, approximately 6 providers have paid in full.

**IV. Resolutions** **Adrian Alfonso**

- Resolution 10012020-01 Authorize the President and CEO to receive the one-time supplemental funding for the Early Head Start budget in the amount of \$479,039.00 and approve the final amendment for the Early Head Start budget.
