Introduction

Results in Brief

This monitor of the Early Learning Coalition of Miami-Dade/Monroe conducted a review of Certificates Of Liability as to our Childcare Centers.

For quarter 1 of the 2020-2021 FY a random sample was selected at the time of this monitoring. After further review, the following was determined:

- Out of the 80 randomly selected Childcare Centers, 79 (99%) of Certificates of Liability (COI’s) have been confirmed. Of those 79 centers, all 79 centers (COI’s) had correct address & suite number listed, with the exception of 1 center. The (ELC) Early Learning Coalition Of Miami Dade & Monroe is listed as an additional insured for all 79 centers. At this time, 1 Center (COI) is still pending confirmation from the insurance company.

Process

- Random sample selection of Childcare centers are pulled per quarter.
- Excel spreadsheet is completed with the following information:
  - Centers Provider ID
  - Business name
  - DCF ID
  - Centers physical address
  - Policy term start & end dates
  - Policy number
  - Insurance company
  - Contact person listed on COI
  - Limits of liability
  - Additional Insured (ELC) Early Learning Coalition Of Miami Dade & Monroe must be listed as an additional Insured
  - Current suite # 210
- Monitor begins calling the Insurance companies as well as sending emails indicating that the (ELC) Early Learning Coalition Of Miami Dade & Monroe is in need of verifying Liability coverage for the specific center.
- Insurance Companies respond either by replying to the email sent to them or call the monitor back directly and confirm liability/additional insured information.
- Information received is then placed within the spreadsheet as a form of tracking.
- Monitoring report is then completed and will go to Evelio, Angelo, Mercy, Michelle, Lisney & Vanessa

Closed Providers

- What happens when the Coalition is unable to collect from a closed provider?
  - The Coalition will make several attempts to contact the provider via:
    - Emails
    - Phone Calls
    - Certified Mail
  - If the Coalition is unable to make contact with the closed provider:
    - The Coalition will submit proof of failed attempts (i.e. emails, returned mail, etc.) to the Office of Early Learning (OEL)
    - If OEL determines that the Coalition exercised their due diligence to collect the overpayment and was unsuccessful, OEL will reimburse the Coalition for the uncollected balance.

Providers Requesting an Extended Payment Plan
as approved by the Office of Early Learning (OEL)

When a provider agrees to their reconciliation amount, the Coalition then proceeds to offer a payment plan.

- The default payment plan offered is a 12-month plan.

- If the provider cannot manage a 12-month plan, then the negotiation process commences.
  - If the provider proposes an extended payment plan, the Coalition reviews their 2019-2020 check register:
    - If the proposed repayment is greater than 20% of the provider’s average monthly reimbursement, the Coalition will send the request up to OEL for approval.
    - If the proposed repayment is less than 20% of the provider’s average monthly reimbursement, the Coalition will attempt to restructure the provider’s payment plan to meet a reasonable term length.

If the Coalition is unsuccessful at tailoring a payment plan, the Coalition will seek guidance from OEL.

OEL requirements for extension requests:

- Provider’s 2019-2020 check register
- OEL Repayment Approval Checklist Form
- Email confirmation from provider agreeing to payment plan
