Executive Leadership Assessment and Consultation for Early Head Start Children Program

Please be advised that all questions are keyed as submitted, however, some information has been edited to protect the privacy of our proposers.

1. My question is in regards to the *Strength Finder's* assessment. I am not certified on that specific assessment but have certifications and extensive experience on a number of assessments. If a Cliftonstrengths Coach is a requirement for submission of a proposal, I would understand.
 - A. Please submit proposals based on the assessment tools being used by your agency, each proposal will be reviewed and evaluated once the RFQ period has ended.
