Request for Proposal RFP# ELCMDM2019-01 for PFP Auditing Services

1. What is the total amount of centers to be included in the testing population?

There are approximately 250 providers participating in “The Early Learning Performance Funding Project”. Each quarter, a representative sample of 40 different centers must be audited. This will total 160 of 250 centers that must be included in the testing population.

Please note that the “Performance Funding Project” scope has been amended accordingly. The hyperlink to the amended RFP is as follows:

2. Is the 10-page limit to the proposal response inclusive of title pages and the budget narrative? If so, can addendums be included to further elaborate on certain sections?

The 10-page limit is all inclusive. There may be no addendums.

Extra information may be brought to the presentation; however, the presenter(s) must take back any material brought to the presentation with them.
